## 3. Click en [Join as a Student](#)

The screenshot shows the IEEE website's 'Join' page. At the top, there is a navigation bar with links: About, Membership, Communities, Conferences, Publications, Standards, Education, and a 'Join IEEE' button. Below the navigation bar, a breadcrumb trail reads 'Home > Membership > Join'. The main heading is 'Become an IEEE Member Today | Save 50%'. The central graphic features the word '[JOIN]' in large green letters, followed by the text 'forces with our global network'. Below this, there are two buttons: 'Join as a professional' and 'Join as a student'. A white callout box with a black border highlights the 'Join as a student' button, with a hand cursor icon pointing at it. To the left of the buttons, there is a paragraph of text describing the benefits of IEEE membership. To the right, there is a section titled 'On this page:' with a list of links: Benefits, Qualifications and dues, Membership and testimonial videos, Additional resources, and Current members. At the bottom, there is a paragraph of text and two more buttons: 'Join as a professional' and 'Join as a student'. A small footnote at the bottom left states: '\*Only new members or returning members with a lapse in service are eligible for half-year dues.'

**[JOIN]**  
forces with our global network

[Join as a professional](#) [Join as a student](#)

When you join IEEE, you join a community of over 425,000 technology and engineering professionals united by a common desire to continuously learn, interact, collaborate, and innovate. IEEE membership provides you with the resources and opportunities you need to keep on top of changes in technology; get involved in standards development; network with other professionals in your local area or within a specific technical interest; mentor the next generation of engineers and technologists, and so much more. There is no better time to discover all that IEEE membership has to offer.

There is no better time to discover all that IEEE membership has to offer. Join now and get membership benefits through the end of 2017, plus save 50% on membership dues.\*

[Join as a professional](#) [Join as a student](#)

\*Only new members or returning members with a lapse in service are eligible for half-year dues.

engineering, computer science, and electronics technology as well as the latest technology trends, industry news, and events.

expand your personal network with colleagues who share your expertise and commitment. Participate in your local IEEE Section or join IEEE Societies or affinity groups focused to your area of specialty or interest.

4. Click en [Create account](#)
  - Ingresar datos personales
5. Click en *Create Account and Continue Joining*

The screenshot displays the IEEE website's 'Join' page. The main navigation bar includes links for About, Membership, Communities, Conferences, Publications, Standards, Education, and a 'Join IEEE' button. The 'Join' section features a 'Thank you for your interest in membership.' message and a form for providing contact, professional, and education information. A modal window titled 'Create account or sign in to continue' is overlaid on the page. This modal contains two options: 'Don't have an IEEE Account yet?' with a list of benefits (sign in to various IEEE sites, manage memberships, get member discounts, personalize experience, manage profile and order history) and a 'Create account' button; and 'Already have an account? Sign in using your existing account.' with a 'Sign in' button and a 'Forgot password' link. A hand cursor is pointing at the 'Create account' button. The footer of the page includes links for Home, Sitemap, Contact & Support, Accessibility, Nondiscrimination Policy, Privacy & Opting Out of Cookies, and Feedback, along with copyright information for 2016 IEEE.

**Add new education information**

Complete this section to be eligible for Student membership.

**University/college:**

**Filter by location:**

**Search for a school by continuing to enter the name and selecting a location filter.**

**Can't find your School? Add a school**

**Is your university/college accredited?:**

**What technology area are you most interested in?**

**Current technology focus:**

An undergraduate or first university degree is a minimum requirement for some grades of membership. You can add certifications or advanced degrees to "My Profile" at any time.

**Do you want to add any memberships or subscriptions?**

Choose a society, council, or special interest group below to view related memberships and subscriptions.

# Membresía

## 7. En el menú desplegable de [Membership](#) seleccionar [Join an IEEE Society](#)

The screenshot displays the IEEE website's navigation bar and a dropdown menu for the 'Membership' link. The IEEE logo and tagline 'Advancing Technology for Humanity' are at the top left. A search bar and social media icons are at the top right. The navigation bar includes links for 'About', 'Membership', 'Communities', 'Conferences', 'Publications', 'Standards', 'Education', and a 'Join IEEE' button. The 'Membership' dropdown menu is open, showing a list of options: 'Join IEEE', 'Join an IEEE Society', 'Renew IEEE membership', 'Member benefits', 'IEEE Contact Center', 'Connect locally', 'IEEE Collabratec™', 'Sign into myIEEE', 'Memberships and Subscriptions Catalog', 'Member insurance and discounts', and 'Member Grade Elevation'. The 'Join an IEEE Society' option is highlighted with a blue background and a mouse cursor. To the right of the dropdown, a text box describes IEEE membership benefits and includes a 'What do you want to do?' section with a dropdown menu and a 'Go' button. Below this, there are two buttons: 'Join IEEE' and 'Join an IEEE Society'. The 'Join an IEEE Society' button is highlighted with a blue background and a mouse cursor. On the far right, there is a 'Great Place to Work' certification badge for IEEE, dated August 2016 to August 2017, and a 'When Work Works Award' from 2016.

IEEE membership offers access to technical innovation, cutting-edge information, networking opportunities, and exclusive member benefits. Members support IEEE's mission to advance technology for humanity and the profession, while memberships build a platform to introduce careers in technology to students around the world.

#### IEEE Computer Society Membership

Grow your career with membership in the IEEE Computer Society, the world's leading organization of computing and information technology professionals. The IEEE Computer Society is the computing community's primary source for relevant and dependable data providing access to 33 magazines and transactions and more than 9,000 conference publications. Delivering unmatched opportunities to learn, collaborate and network with access to more than 225 international conferences, 350+ worldwide chapters, 40 technical communities, 3,500 self-paced courses and 24,000 reference books offered through SkillChoice Complete. With [four professional membership options to choose from and one student](#), Computer Society delivers immediate access to trusted resources that have been designed to help you grow your career.

Fields of Interest: All major areas of computing and information technology: computer hardware, software, security, AI, multimedia, IT, networking, mobile computing, and more.
